Employment Law Advice ^[1]

Sydney Mitchell's [employment law team](#) ^[2] can provide your business with a complete range of employment law advice and solutions tailored to suit your needs. Advising owner managed companies through to National companies, as well as not for profit organisations, we can deliver our services on a local, regional and national level, dealing with a wide variety of sectors including healthcare, regulatory, the leisure industry, manufacturing and professional services.

Are you looking for *Experienced Solicitors you can Trust?*

^[3]

Employment Law Solicitors in Birmingham

[Our team](#) ^[2] has a strong academic yet no-nonsense approach to your problems, providing sound commercial advice and total cost transparency. Our emphasis is to establish your objectives from the outset of the instruction and then to implement a strategy to achieve this ensuring that you know what's happening every step of the way.

[Our team](#) ^[2] covers a wide spectrum of employment law issues, including both contentious and non-contentious matters. Resolving employment conflicts through alternative dispute resolution is also something that we specialise in and [Dean Parnell](#) ^[4], who heads up the employment team, has undertaken a large number of commercial mediations as lead mediator.

Professional Employment Law Services

We can assist you with a variety of areas, including:
