Cosmetic Surgery Medical Negligence Claims ^[1]

Are you a victim of negligent cosmetic surgery? Contact our Personal Injury team today

CONTACT US

^[2]

Although we may choose to pay privately to undergo some medical procedures, we are still entitled to expect the highest standards of care from those providing our treatment. Private hospitals and their surgeons must offer a service meeting the standards required in the National Health Service.

When medical treatment has gone wrong...

we will help you re-draw the lines

At Sydney Mitchell our medical negligence team can help advise when medical treatment has not gone to plan. Our expert medical negligence lawyers can help you put right the wrong that you have suffered.

Please speak to our medical negligence specialists on
Call 0808 901 2410
email pi@sydney Mitchell.co.uk

Providing legal advice for generations.

Offices: Birmingham, Shirley, Sheldon and facilities in Sutton Coldfield

We have a sensitive team on hand to

offer specialist advice to victims of negligent cosmetic surgery. Our experience covers all types of elective surgery including (but not limited to):

- Breast surgery
- Nose surgery
- Facelift surgery
- Dental implants
- Ear-reshaping
- Eyelid surgery
- Liposuction
- Tummy tuck procedures

What can I claim for?

If you are unhappy with the result of your surgery, you *may* be able to claim compensation for:

- the distress caused by an unacceptable cosmetic result;
- the cost of any revision surgery required;
- reimbursement of the cost of the original surgery.

Contact us online now ^[3] or call 0808 166 8798 for specialist advice.
