VJ and VE Day Celebrations - Let us never forget the horrors of war and the lives lost.

As Europe celebrated the surrender of German forces on VE Day, thousands of British, Commonwealth and Allied Armed Forces personnel were still involved in bitter fighting in the Far East.

Victory over Japan Day on 15 August marks the surrender of Japan forces, which ended the Second World War. For months after **VE Day on 8 May 1945** war continued in the Asia-Pacific region and ended only after two atomic bombs were dropped on the Japanese cities of Hiroshima and Nagasaki.

75 years on we are remembering the contribution of all British, Commonwealth and Allied Forces and thank them all for their bravery. Without their sacrifices victory and the freedoms and way of life we enjoy today would have not been possible.
