Debt and Insolvency advice ^[1]

When you are feeling "squeezed" by debts, that is the time to take advice and getting the right advice is vital. Whatever the circumstances that you find yourself in, whether pressure from creditors, or claims against your assets, there are options available. The key is to recognise the problem early and to seek professional advice as soon as possible.

At Sydney Mitchell, we have extensive experience in dealing with:

- Setting aside Statutory Demands
- Defending Bankruptcy Petitions
- Annulment of a Bankruptcy Order
- Assisting in defending applications to sell a home
- Defending Preferences and Undervalue claims

We can offer practical solutions to your problems and an affordable price.

For more information on what our Debt Recovery team ^[2] have to offer you and your business, please contact us on the above number.
