## Defamation, Privacy and Slander - Reputation Experts

Anyone can write anything online at any time, so if something is written about you that is false or damaging to your reputation; our specialist legal team is ready to fight for your legal rights.

Whether an individual or a business, our dedicated team is ready to help and deal with disputes about online content incorrectly quoted.

Sydney Mitchell helps high profile individuals and senior executives to resolve issues of slander and libel on websites and across social media platforms.

We know the right actions to take and when to take them, to ensure the right outcome for you!

We also have experience of dealing with third-party organisations such as internet-service providers, and platforms that host third-party content such as YouTube and TrustPilot.
