What is 'No Win No Fee' Compensation?

We operate a Conditional Fee system which means that if you lose you pay nothing. Due to a change in the law on 1st April 2013, if you win there will be a deduction from your damages towards our fees and any insurance taken out.

So, what do you pay when you win?

- A success fee limited to 25% of damages for pain and past financial losses
- Any insurance taken out (if a clinical negligence claim, you only pay part of the premium)
